**Re: South Carolina Energy Freedom Act (H.3659) Proceeding
Initiated Pursuant to S.C. Code Ann. Section 58-40-20(C): Generic
Docket to (1) Investigate and Determine the Costs and Benefits of
the Current Net Energy Metering Program and (2) Establish a
Methodology for Calculating the Value of the Energy Produced
by Customer-Generators
Docket No. 2019-182-E**

Dear Mr. Stark:

Dominion Energy South Carolina, Inc. ("DESC") writes in support of extending the deadline for proposed orders in this docket, as requested yesterday by Duke Energy Carolinas, LLC and Duke Energy Progress, LLC.¹ DESC believes that a two-week extension of this deadline to January 21, 2021, is reasonable given the absence of a transcript and the upcoming holiday schedule. This extended period would permit the parties to fully evaluate the transcript and develop narratives for the proposed orders in a deliberate and comprehensive manner.

Thank you for your attention to these matters, and please do not hesitate to contact me if you have any questions.

Very truly yours,

A handwritten signature in blue ink that reads "Matthew W. Gissendanner".

¹ The Duke companies request to extend the current deadline of January 7, 2021, by two weeks—resulting in a new deadline of January 21, 2021.
